A minimum deposit of 50% (per hunter) of the cost of the hunt is due with this booking contract. The full balance is due upon arrival at the ranch and may be paid by cash, personal check, or credit card. A phone call will not reserve your hunting dates; please send a signed contract and a deposit. For your convenience we can accept credit cards. A 2.5% surcharge will apply. Call for arrangements before paying with a credit card.

You furnish your own license, tags, transportation to and from the ranch, and your own personal gear. Airport pickup and return is **not** included in your fee. Call for arrangements to be picked up if flying to the ranch. Upon arrival at the ranch transportation will be provided.

Cancellation policy: Deposits are non-refundable

You should ensure you are in adequate physical condition to undertake consecutive days of hunting activity, possibly in adverse weather conditions. If you have any health conditions which may compromise your ability to participate, or which may be aggravated by this exertion, you are advised to seek the advice of your physician prior to committing to this activity. Hunter agrees to absolve Stuart Ranch, his guides and employees from any liability for injury or illness which may be incurred as a result of this hunting trip. Please sign the liability waiver enclosed with the booking contract. Refusal to sign liability waiver will result in termination of the contract and the hunter will not be allowed to hunt on the ranch.

Hunter agrees to abide by all laws of Oklahoma. As well as all applicable Federal game laws that may apply. It is the responsibility of the hunter to understand and abide by all applicable laws.

Hunter agrees to be reasonably proficient in the use of his/her weapon. No shells are allowed in the chamber and barrels should be pointed toward the floor while in a vehicle. No loaded guns are allowed in or around the camp area.

Hunting is our business; however, Stuart Ranch cannot guarantee the availability or take of any game animal. We work diligently to produce game for the hunter and will hunt in areas where trophy game animals have been previously taken or in areas that have been pre-scouted. We do not guarantee against conditions beyond our control, such as adverse weather, interference from other hunters, etc. and the hunter accepts these terms.

We abide by the laws of Oklahoma and by industry-standard outfitting laws and practices. Hunters are forbidden to shoot any animals that are not specified in their contract, unless given permission by their guide. In the event that a hunter kills game not specified in their hunting contract or verbal agreement, the hunter will be charged a harvest fee comparable to the standard hunt price for that animal

Any disputes which may arise shall be governed by the laws of and settled in the judicial system of the State of Oklahoma.

I certify that I have read this contract and agree to abide by the terms of this contract.
